

# Memorandum of Understanding

Agreement between Local Trust and **North West Ipswich** Big Local Partnership.

This agreement is made between Local Trust (on behalf of Big Local) and **North West Ipswich** Big Local Partnership, who are acting on behalf of **North West Ipswich** Big Local area (**the residents of Whitton, Whitehouse and Castle Hill Wards, Ipswich, Suffolk**).

**By signing this memorandum of understanding, members of the partnership undertake to:**

- Provide overall direction of Big Local to meet your area's long term vision and outcomes.
- Agree a shared vision which extends from the range of visions collected from across the area during earlier pathway steps.
- Create a Big Local plan. The plan will set out clear approaches for realising your area's shared vision. The Big Local plan will adapt over time but will include how you plan for the £1m to be 'spent'.
- Carry out the Big Local plan. The partnership will decide how to carry out the Big Local plan. The partnership will establish the criteria for distributing any part of the £1m and will identify suitably experienced and skilled local trusted organisation(s) to distribute the funding.
- Assess and report impact. The partnership will need to know how the people and activities are moving the area closer toward the shared vision. This information will help the partnership explore how Big Local may have influenced changes in the area. The partnership (or local trusted organisations) will need to collect evidence and inform Local Trust about key activities, accomplishments and the status of funding distributed as well as impact made in the area.
- Review annually. Both the partnership and the Big Local plan will be reviewed annually. The process will ensure open, critical reflection on how the partnership is working to achieve the outcomes and the shared vision.
- Engage with a diverse range of people in your area, in a thoughtful, continuous and inclusive way and make a commitment to equal opportunities.
- Promote Big Local activities, your Big Local plan and the funding available to implement it to people locally and ensure that stakeholders are updated about Big Local.
- Engage with voluntary, community and social enterprise sector organisations, public and private organisations operating in or near your area to identify opportunities and build links where funding, expertise, joint working and/or support can be provided to the benefit of the area.
- Adopt a code of conduct for partnership members that will expand on these responsibilities and describe specifically the expectations for your area's partnership members.
- Participate in Big Local networking and sharing learning activities, as relevant.
- Work with your area's Big Local rep.
- Participate in the selection of your area's long-term Big Local rep.
- Work within the agreed Big Local boundaries as illustrated below. Should any changes to the boundaries be deemed necessary, the partnership will seek approval from Local Trust prior to making any adjustments.

**By signing this agreement, Local Trust undertakes to:**

- Provide the necessary support and guidance to the partnership to fulfil its responsibilities. This will include a Big Local rep to work with the partnership; communications and fundraising support; and access to specialist advice and expertise.
- Provide written guidance on the operation of the Big Local.
- Communicate effectively with the partnership, including responding promptly to requests for information and advice.
- Provide opportunities for training and learning to partnership members, both nationally and through advice to local areas.
- Work with the partnership to appoint local trusted organisation(s) that hold(s) and distribute(s) funding on behalf of the partnership.

This agreement is effective from the date that both signatures are made and will last in the first instance for one year or until the partnership completes its annual review. This partnership agreement can be reviewed at any time if complaints or disputes occur that raise doubts about the ability of the partnership to fulfil its responsibilities.

4. We are responsible, open and accountable. We will be honest and transparent in all our dealings. We will collect, share and review evidence of our progress and be open to advice and criticism.
5. We believe in social responsibility. We want our work to have a positive impact on people locally, the area and the environment, now and for future generations.
6. We are committed to equality and to promoting diversity. We seek to overcome all forms of discrimination and prejudice, so that everyone can participate in, contribute to and benefit from NW Ipswich Big Local Trust on an equal basis, whatever their background, ethnicity or beliefs.

# Code of Conduct

## 1. Introduction

This Code of Conduct outlines the basis for the operation of the NWIBLTP and the individual responsibility of all members of the NWIBLTP.

## 2. Our behaviour as a member of the NWIBLTP

a) This Code of Conduct covers our behaviour as members of the NWIBLTP, in any private or public meeting, private correspondence and decision making processes.

b) Ipswich Council for Voluntary Service (ICVS) will arbitrate in any dispute over the conduct of a member of the NWIBLTP and failure to meet the standards set out below may be a cause for sanctions to be imposed by ICVS.

As a member of the NWIBLTP I agree to abide by our areas Big Local Values. Additionally I agree that:

***I will be considerate.*** I recognise our work will affect other people and our work in turn will depend on the contributions of others. Any decision I take or advice I give, may affect other members or beneficiaries and NWIBLTP expects me to take those consequences into account when making decisions or giving advice and entering into discussion and negotiations with other members, groups, organisations and external bodies.

Where I have any potential conflict of interest, this will be fully disclosed to the NWIBLTP (See Separate Declaration of Interest – Page 12).

***I will be respectful.*** The NWIBLTP values the participation and contribution of all its members. We expect members of the NWIBLTP to be professional and respectful when dealing with colleagues, as well as with people outside of the NWIBLTP, even where there is disagreement.

***I will be collaborative.*** The NWIBLTP is about collaboration and working together. Collaboration improves the quality of the work and support offered and values the input of others.

***I will be consistent.*** Members of the NWIBLTP will, wherever possible, uphold verbal or written agreements – I will do what I have said I would and do it when I said I would do it.

***I will uphold the NWIBLTP principles.*** Disagreements happen all the time and the NWIBLTP is no exception. The important goal is not to avoid disagreements or differing views, but to resolve them constructively. In the first instance I will turn to the Chair to seek advice and to resolve disagreements.

***I will uphold the democratic decisions of the NWIBLTP.*** Where a decision has been made, NWIBLTP members are expected to uphold and implement the decisions of the NWIBLTP. This

does not mean that there cannot be disagreement; Any members uncomfortable with a decision should be offered support to implement the decisions or a consensus reached on participation or implementation of the decision.

Additionally, members should ensure that decisions do not affect a person's employment, health and safety, equality or personal or religious beliefs or any other legal rights – however, members are expected to behave in a manner that upholds the democratic structures of the NWIBLTP.

***When I am unsure, I will ask for help.*** Nobody knows everything, and nobody is expected to. Asking questions avoids many problems down the road, and so questions are encouraged. Those who are asked should be responsive and helpful, and I should not be made to feel threatened or intimidated in any way.

### **3. Delivering Services and Relationships with users, clients and others**

Working with the NWIBLTP I will be in contact with a wide range of individuals, groups, organisations and service providers and the Big Local Trust expects the highest standards of behaviour when dealing with those outside of the NWIBLTP.

The NWIBLTP will maintain the highest levels of professionalism and courtesy when working with service users, groups and individuals and all Members will abide by the principles of Equality and Diversity.

Where agreements have been made with service users, groups or individuals all members of the NWIBLTP will act to ensure these agreements are respected and implemented.

The NWIBLTP will seek written feedback from groups, organisations and others we work with to understand their experiences of the processes adopted in the work of the Big Local Trust, the professionalism of our members, and the expectations of our partners are monitored, reviewed and used to improve the Big Local Trust experience.

### **4. Complaints**

Complaints concerning the behaviour of individual members should be made in writing to the Chair of the partnership in the first instance. If the complaint cannot be resolved through mediation it will be referred to the ICVS for arbitration.

# Declaration of Interest

## Introduction

The NWIBLTP is a project funded by the Big Lottery Fund which will see at least £1 million worth of funding invested in the area of North West Ipswich over the next ten years.

The decision as to which groups, projects, charities or organisations (the “applicants”) benefit from the funding will be largely decided by the NWIBLTP – made up of 24 residents and a range of key partners and other stakeholders.

It is imperative that all decisions of the NWIBLTP are made fairly and openly and in the interest of the community as a whole.

All members are therefore obliged to declare any “interests” they may have in the “applicants”, on this form.

## What is an “interest?”

There is no exhaustive list of what an “interest” is but it could include, for example, you (or a “connected person” – see below) being a member, director, shareholder, trustee or affiliate of an applicant, being on a project/organisation’s committee, raising funds in aid of a project or an applicant, being employed by or receiving paid work from an applicant or even receiving gifts or hospitality from an applicant.

Notwithstanding the examples given above, you will be considered to have an “interest” if an ordinary member of the public with knowledge of the relevant facts, would reasonably regard you as having an interest.

Please note that a connected person is a member of your family or any person with whom you have a close association.

## Disclosure requirements

You are required to declare any interests on this form and submit it to Ipswich Council for Voluntary Service (ICVS), who are responsible for the management and coordination of the NWIBLTP.

Please note it is your continuing obligation to keep this list updated throughout your time as a member the NWIBLTP. If you become interested in any of the applicants you should inform the Chair, who will update the register of interests, as necessary.

Please note this information will be made publicly available.

## Decision making

If you have an interest in an applicant who makes a bid for funding from the NWIBLTP, you should ensure that you:

1. Take no part in the decision making process of the NWIBLTP in relation to that particular application;
2. Do not seek to influence the decision of the NWIBLTP in relation to that application;

**Consequences**

If an applicant is discovered to have received funding from the NWIBLTP and you have been involved in the decision making process of the NWIBLTP or have in some way influenced its decision:

1. The applicant awarded the funding may be asked to pay it back, whether or not those funds have already been spent; and
2. The applicant may be barred from submitting further funding applications.
3. You will be immediately removed from the NWIBLTP.

**Interests**

Group, charity, project or organisation	Please give details of interest

I hereby declare that the contents of this form are true

# Confidentiality Agreement

## Context

During the development stage of the NWIBLTP and the subsequent stages that follow, there may be occasions when members of the NWIBLTP are given access to both personal and sensitive information, (for example, the status of local groups and organisations, financial account information and personal contact details of applicants). The information presented may not be in the public domain and therefore must remain confidential to the members of the NWIBLTP.

This agreement sets out an undertaking that such information remains confidential to the NWIBLTP and requires the signature of individual members to acknowledge this.

## Acknowledgement

I acknowledge and understand that as a member of the NWIBLTP, I may be made aware of sensitive, personal, financial and other information which is of a confidential nature.

I therefore undertake not to discuss or disclose such information with any other parties, other than other members of the NWIBLTP.

The disclosure of information outside the NWIBLTP meetings, beyond that which is agreed at the meeting, will be considered a breach of confidentiality and a breach of the confidentiality of the members of the NWIBLTP.

I also understand that should such a breach of confidentiality occur, that it may result in dismissal from the NWIBLTP.
