

## BRIEF GUIDELINES FOR UNIDENTIFIED RISKS

AS A MARSHALL WHAT AM I EXPECTED TO CONTROL ?

The Safety Officer will have identified the known risks and taken steps to mitigate.

This is a brief note to help you deal with any unexpected hazards.

*Ask yourself*

*What is the hazard?*

Anything likely to move or cause an obstruction is a potential risk.

*Why is it a hazard?*

Because it could cause injury or damage which we must guard against.

*As a Marshall what steps do you need to take:*

Any concerns contact the Safety Officer who will make an assessment of the risk and take any steps to mitigate.
